

FACT SHEET

Reside in Radisson SAS Hotel & Spa Galway, Serviced Apartments, Galway's first internationally operated modern serviced apartments.

Location

The apartment complex has been designed, with the surrounding area in mind, so that it blends into the existing architecture seamlessly and creates a virtual oasis within stunning buildings. The surroundings add to the peaceful atmosphere and brings luxurious living to the centre of the city. It is our aim to exceed your expectations of a first class hotel and to create the perfect home away from home. These one and two bed duplex apartments enjoy a private entrance located within the hotel complex.

The Apartments

All of the apartments are modern and tastefully decorated with contemporary living and dining areas, comfortable bedrooms and relaxing bathrooms. The kitchens are fully equipped and include a washer-dryer, dishwasher, fridge, freezer, cooker and oven. All apartments have an iron and ironing board. All the apartments include a direct dial telephone and in addition we offer WiFi, voicemail system, satellite TV, DVD and a safe. In order to create secure and safe surroundings for our guests, the buildings have electronic surveillance systems. There is a choice of one or two bedroom apartments, both equally designed to the highest standards. Ideal for family breaks or long staying business guests looking for a home away from home.
