

# FACT SHEET

Reside in Radisson SAS Hotel & Spa Galway, Serviced Apartments, Galway's first & foremost internationally operated modern serviced apartments where your expectations of comfort and lifestyle are met and exceeded.

#### Location

The complex has been designed, with the surrounding area in mind, so that it blends into the existing architecture seamlessly and creates a virtual oasis within stunning buildings. The surroundings add to the peaceful atmosphere and brings peace of mind and luxurious living to the centre of the city. It is our aim to exceed your expectations of a first class hotel and to create the perfect home away from home.

#### The Apartments

All our apartments are modern and tastefully decorated with contemporary living and dining areas, comfortable bedrooms and relaxing bathrooms. The kitchens are fully equipped and include a washer-dryer, fridge/freezer unit, cooker and oven. All apartments have an iron and an ironing board. We have identified the requirements of the busy business executive. All the apartments include a direct dial telephone and your own personal telephone number. In addition we offer high-speed internet access, voicemail system, satellite TV, DVD player and a safe, large enough for your laptop.

In order to create secure and safe surroundings for our guests, the building has electronic surveillance, as well as a car park in the basement with lift access to the apartments. We can offer you two different apartment types both equally designed to the highest standards these being Sea View duplex apartments and Terraced duplex apartments. There are no apartments above or below so a true haven of tranquility is achieved.
